Notice Concerning Recording of Extraordinary Gain Associated with Transfer of Shares of Consolidated Subsidiary

GMO GlobalSign Holdings K.K. (the “Company”) hereby announces that it expects to record an extraordinary gain, as described below, in the third quarter of the consolidated fiscal year ending December 31, 2026.

- Details -

1. Recording of Extraordinary Gain

The Company expects to record an extraordinary gain of ¥440,476 thousand (*) in the third quarter of the consolidated fiscal year ending December 31, 2026, in connection with the transfer of the shares of GMO Digital Lab K.K. implemented on July 1, 2026. For details of the transfer of the subsidiary's shares, please refer to “Notice Regarding Change in Consolidated Subsidiary (Share Transfer)” announced on June 15, 2026.

(*) The share transfer agreement includes contingent consideration under which additional consideration is to be received depending on the future business performance, etc. of the target company (an earnout provision), and such contingent consideration has been included in the extraordinary gain recorded above.

2. Impact on Business Results

This matter is as described under “Material Subsequent Events” in the “Summary of Consolidated Financial Results for the Second Quarter (Interim Period) of the Fiscal Year Ending December 31, 2026,” announced today. There has been no change, as of the current date, to the consolidated financial results forecast for the fiscal year ending December 31, 2026, announced on February 10, 2026; should any revision become necessary in the future, the Company will announce it promptly.
